

Destination: Aconcagua Summit of America

Price: US\$3,670.00

~~US\$3,800.00~~

Mount Aconcagua is located entirely in the Republic of Argentina, province of Mendoza, department of Las Heras. It does not constitute an international limit. Its coordinates are: 69° -59 of west longitude and 32° -39 of south latitude. It is included within the Aconcagua Provincial Park. It limits to the West and South-West with the upper and lower Horcones Valley. While to the East and North it limits with the Valle de Vacas and Valle de los Patos respectively. It is located at a distance of 180 km from the city of Mendoza. It is the highest summit in America at 6962 m. It is considered a good mountain to climb due to its conditions and soil to climb the Himalayas.
